Chapters: 3

Words: 536

Publisher: www.fanfiction.net

Summary: The twins adventure on their annual climbing trip; but this year, something's very wrong with Tuffnut...

1. Annual Hike

"Would you hurry up already?!" Ruffnut yelled, "We're not going to make it in time!"

"I don't know what you're talking about," he said stumbling after her.

The twins had begun their (secret) annual climb up Berk's tallest mountain, but this year had started off different than usual. Tuffnut seemed to be moving slower than he had in the past...

Ruffnut turned around, "Are you sure you're okay?" she asked.

"Yeah. Totally," he said as he winced.

"We can go back..." Ruff said.

"No way!" Tuffnut said.

"Are you sure" she asked.

"Yeah, I wouldn't miss this for the world," he said.

"Okay then...as long as you're sure..." she said.

The twins continued their hike in silence.

..._You see, most people would think that the twins only enjoyed fighting and hurting each other all the time...and while that may be true, they also secretly enjoyed each other's company, just by being there._

****To be continued...****

2. Newfound Pain

Tuffnut inwardly cringed every step he took. As much as he loved their annual hike, the pain in his legs kept increasing...and was starting to spread to his upper body. He breathed out sharply, hoping his sister wouldn't notice.

"Tuff? Are you sure you don't want to go back?" Ruff asked.

Tuffnut mentally kicked himself..._so much for that plan_...

"Oh yeah...I'm fine," he said, trudging along.

She walked over to him, "You don't look fine," she said.

"Well, I'm fine, okay?!" he snapped.

Ruff stepped backwards, "Sheesh...I was just asking," she said defensively.

"Well you can stop asking...I'm perfectly fine," he said, walking past her.

Ruffnut rolled her eyes and followed, making sure to keep a close eye on him...because who knows what he could be hiding? Being Tuffnut, it could be anything!

...Well, except secrets...he sucks at keeping things to himself...

Ruffnut shook her head and rounded a corner, where she was met with a dreadful sight-

* * *

><p>Cliffhanger #1! :D (No, that's not what Ruff saw...)<p>

Now what mess could Tuffnut have possibly gotten himself into?!

3. Sorry?

"TUFF!" Ruffnut cried, rushing over to her brother's side.

Tuffnut had collapsed onto the ground, tightly clutching his side.

"Ruff..." he wheezed, "Don't kill me for this, but...can you," he paused, "Can you take me to Gothi?" he asked, closing his eyes.

Ruffnut stared at her brother and cupped her hands over her mouth. She called for Barf & Belch as loud as she possibly could...but it was no use. They were just too far away.

Ruffnut bit her lip and frowned. She had to get him back fast...or

who knows what will happen to him...

She ground her teeth, sucked in a breath, and heaved him onto her back.

"What are you doing, sis?" Tuff asked, still sounding as stupid as ever.

Ruffnut grunted as she struggled to walk, "I'm taking you back to the village, so shut up and stop distracting me," she said.

Ruff continued to drag herself back to the village, with her brother on top of her. Once he was better, which he would (right?), she was so going to make him pay for this.

End
file.
